2019 Novel Coronavirus – Confirmed Cases in California and Emergency Repatriation

The Centers for Disease Control and Prevention (CDC) is closely monitoring and responding to an outbreak caused by 2019 Novel Coronavirus (2019-nCoV) in Wuhan, Hubei Province, China.

- On 01/30/20, the World Health Organization declared a Public Health Emergency of International Concern (PHEIC) over the global outbreak of 2019-nCoV.
- On 01/30/20, the U.S. Department of State has issued a Level 4 Travel Advisory (Do Not Travel) for all of China. This is the highest travel advisory level.
- On 01/31/20, the United States Secretary of the Department of Health and Human Services signed a declaration order for a Public Health Emergency in response to the 2019-nCoV. Per the order, Americans returning from Hubei Province, China, will be subject to a 14-day quarantine upon returning. Other Americans returning from other sections of China will be subject to screening for 14 days.
- On 01/31/20, President Trump signed a Presidential Proclamation temporarily suspending entry into the U.S. of foreign nationals that pose a risk of transmitting 2019-nCoV. Foreign nationals other than immediate family of U.S. citizens and permanent residents who have traveled in China within the last 14 days will be denied entry into the U.S. at this time.
- On 01/29/20, a repatriation flight from Wuhan, China, arrived in Riverside County at March Air Reserve Base (March ARB) carrying 195 American citizens.
 - The quarantine order is for 14 days, starting the day the flight arrived.
- Additional repatriation flights are anticipated to arrive at Travis Air Force Base (Travis AFB) and Marine Corp Air Station Miramar (MCAS – Miramar) as early as 02/04/20. These flights will be repatriating an unknown number of U.S. citizens.
 - Incoming flights to Los Angeles International Airport (LAX) and San Francisco (SFO) are under this order.
 - Arrangements have been made with Los Angeles County to transport passengers who fall into the quarantine category to March ARB.
 - Federal HHS has informed California the one passenger has been screened out at LAX for quarantine. The passenger had travelled within Hubei within the 14 day window. The passenger will be placed in quarantine.
- As of 02/03/20, 17,391 confirmed cases of 2019-nCoV in 24 countries with 362 confirmed deaths have been reported worldwide.
- As of 02/03/20, the California Department of Public Health has confirmed 1 individual in Los Angeles County, 1 individual in Orange County, 2 individuals in Santa Clara County and 2 individuals in San Benito County have tested positive for 2019-nCoV, bringing the total number of confirmed cases in California to 6.
